**BROOKLYN FROM THE INSIDE: A NEW GUIDE FOR TOURISTS
AND RESIDENTS.**

"A tremendous resource." —*Library Journal*

Ladies and gentlemen, Brooklyn ain't what it used to be. And that's why this newly updated 500-page guidebook, crammed with information and tips, is back by popular demand. **BROOKLYN! 3rd EDITION: *The Ultimate Guide to New York's Most Happening Borough*** [St. Martin's Griffin; April 2004; \$17.95] covers 25 distinct neighborhoods in 16 chapters.

Sure, it lists the basics: 1500 shops, restaurants, historical sights, and points of cultural interest. But veteran Brooklyn writer Ellen Freudenheim with her sidekick teenage daughter Anna Wiener, also capture that feisty Brooklyn spirit. They make Smith Street, Coney Island, Bedford-Stuyvesant, Williamsburg and a dozen ethnically authentic neighborhoods accessible, by revealing the nooks and crannies, bargains and buzz that only locals can know. **BROOKLYN!** is the must-have urban guide for New Yorkers and tourists alike.

Complete with over a dozen maps (*fuggedabout* getting lost!) **BROOKLYN!** offers readers the biggest-ever listing of Big Apple bed-and-breakfasts, dozens of designer boutiques, as well as:

- Culture: world-class museums, theater, music, art
- Shopping: contemporary home furnishing, vintage clothing— and bargains
- Food: sublime cheesecake and eclectic American, at all price ranges
- Family fun: Cyclones baseball games, zoos, horseback riding— and top schools
